Step 4

More about “了” and “要”

You have already learned that “了” can be used to indicated the completion of an action.

“要” can be used to indicate the future action. Compare the following sentences:

昨天我看了那个电影。 I saw the movie yesterday.

明天我要看那个电影。 I will see the movie yesterday.

Can you transform the following sentences of completed actions to sentences with future actions?

今天我作了很好吃的菜。

上个星期天我去了 San Francisco.

昨天晚上我作了练习。

去年我去了日本。

Now change the above senteces to the sentences with future actions.

Step 5. Do homework 2
