This checklist is a tool to track your progress toward graduation. In order to receive your bachelor’s degree from CSULB, you must fulfill all Major, General Education (GE), and University-wide requirements, including:

- Complete a total of **120-140** units, depending on your major. If needed, choose and complete electives to accumulate the minimum number of units required for your degree.
  
  **Transfer Students**: No more than **70 transferable units from a community college** may count toward this unit requirement.

- Complete at least **40** units of upper division coursework (300-499), of your 120-140 total units.

- Finish at least 30 units in residence at CSULB. At least 24 of the 30 units must be upper division, and at least 12 units must be in your major.

- Satisfy the **Graduation Writing Assessment Requirement** (GWAR). You must attempt the **Writing Proficiency Exam (WPE)** by the end of the semester in which you earn 65 units. If you do not pass the WPE on your first attempt, you may be eligible to enroll in a GWAR course and submit a portfolio for assessment. Visit the GWAR website at [www.csulb.edu/gwar](http://www.csulb.edu/gwar) for more information.

- Complete the **General Education** pattern of courses. Students with questions related to the appropriate GE pattern should contact the University Center for Undergraduate Advising at (562) 985-4837 to schedule an appointment.

- Complete the requirements of your major. See a **major advisor** in your Department/College.

- After completing 90 units, submit a **Request to Graduate** form to Enrollment Services, BH-101. For more information and to download the form, visit [www.csulb.edu/depts/enrollment/graduation](http://www.csulb.edu/depts/enrollment/graduation).

- Finish with at least a **2.0 (C)** average in all four grade point averages:
  1) Overall cumulative
  2) CSULB cumulative
  3) All courses in the major
  4) All upper-division courses in the major completed at CSULB
