The DISTRICT supervisor will evaluate intern competencies, oversee all intern professional activities in the district, and provide guidance throughout the intern's professional growth and development. All psychological or psychoeducational evaluation reports must be co-signed by the supervising credentialed school psychologist throughout the internship year.
11. The DISTRICT supervisor, in collaboration with the UNIVERSITY faculty, will complete periodic written evaluations of the intern's performance with written reports of that evaluation near the end of each university semester.
12. The DISTRICT assures that the intern will receive face-to-face supervision for a minimum of two hours a week, although as many as four hours a week may be needed, especially at the beginning of the internship experience.
13. The DISTRICT assures that the workload of the intern will not exceed seventy-five (75) percent of what a credentialed school psychologist would work; interns may serve one or two schools with a total intern/student ratio of no greater than approximately 1:1,000. It is presumed that all interns will maintain their assigned school placement(s) for the full academic school year. Any deviation from this should be made by cooperative agreement between the DISTRICT supervisor or administrator and the UNIVERSITY supervisor.
14. The DISTRICT assures that the intern will devote at least twenty (20) percent but not more than forty (40) percent of his or her time to psychoeducational evaluations and direct related services.
15. The DISTRICT assures that the intern will be treated by the district as part of the professional staff; provides salary and benefits as specified in the district contract or in the attached addendum; provides a supportive work environment, adequate supplies, counseling and test materials, and access to computer, internet, and e-mail; encourages participation in district, SELPA, or county committees; and provides release to attend professional development experiences or professional association meetings.
16. The DISTRICT may notify in writing to the UNIVERSITY, the desire to terminate or cancel any intern whose performance is unsatisfactory, whose personal characteristics prevent relationships within the DISTRICT, or whose health status is a detriment to his/her successful completion of the internship. Prior to cancellation or termination, the DISTRICT and the UNIVERSITY will consult about the proposed action.
