SPECIAL PROVISIONS

1. **Scope of Services:** The District shall provide to University students teaching experience through practice teaching in schools and classes of the District not to exceed the units of practice teaching set forth in these Special Provisions. Such practice teaching shall be provided in such schools or classes of the District and under the direct supervision and instruction of such employees of the District as the District and the University through their duly authorized representatives may agree upon.

"Practice teaching" as used herein and elsewhere in this agreement means active participation in the duties and functions of classroom teaching under the direct supervision and instruction of employees of the District holding valid life diplomas or credentials issued by the State Board of Education, other than emergency or provisional or intern credentials, authorizing them to serve as classroom teachers in the schools or classes in which the practice teaching is provided.

2. **Rates:** Contingent upon the availability of funds each semester, the University may pay the District for the performance by the District for all services required to be performed under this agreement at the rates set forth below for each semester unit of practice teaching. The District shall be notified not less than 60 days prior to the semester if a change in the compensation rate is to be made due to the availability of funds.

If payment is made by the University, the RATE AND AMOUNT will be \$20.00 per semester unit the student is enrolled in for the practice teaching experience.

3. **Assignment:** An assignment of a student of the University to practice teaching in schools or classes of the District shall be at the discretion of the University. An assignment is typically for approximately eight (8) weeks or for approximately twenty (20) weeks, but the length of an assignment can vary depending on the program and student.

The assignment of a student of the University to practice teaching in the District shall be deemed to be effective for purposes of this agreement as of the date the student presents to the proper authorities of the District the assignment card or other document given the student by the University effecting such assignment, but not earlier than the date of such assignment as shown on such card or other document.

In the event the assignment of a student of the University to practice teaching is terminated by the University for any reason, the District shall receive payment on account of such student except that if such assignment is terminated before the end of the eighth week of the term of the assignment, the District shall receive payment for an assignment for eight (8) weeks only. If a student is assigned by the University to another teacher of the District after an assignment has become effective, this shall be considered for payment purposes as an entirely new and separate assignment.

Absences of a student from assigned practice teaching shall not be counted as absences in computing the semester units of practice teaching provided the student by the District.

4. **Payment:** Contingent upon funds being available to University, and written notification of availability of funds to District, the District, within 45 days following the close of each semester or quarter of the University, shall submit an invoice and stipend report to the University for payment at the rate provided herein for all units of practice teaching provided by the District under and in accordance with this agreement during said semester or quarter. The Master Teacher Stipend Report shall be executed by a duly authorized representative of the District certifying that the District expended or became obligated to expend in providing such practice teaching an amount not less than the amount of the invoice. A sample stipend report is attached.

The University will pay the amount of such invoice from monies made available for such purpose by or pursuant to the laws of the State. Notwithstanding any other provisions of this agreement, the University shall not be obligated by this agreement to pay the District any amount in excess of the total sum set forth in the Special Provisions.

5. **Termination:** The District may, for good cause, refuse to accept for practice teaching any student of the University assigned to practice teaching in the District, and upon request of the District, made for good cause, the University shall at any time terminate the assignment of any student of the University to practice teaching in the District. The University may, upon good cause, withdraw from practice teaching at any time any student of the University assigned to practice teaching in the District.
