

ASSESSMENT & ACCREDITATION OFFICE (AAO) STRATEGIC PRIORITIES

FALL 2023 - SUMMER 2026

TRUSTED, EFFICIENT, & ACCESSIBLE

GOAL 1: Establish the AAO as a trusted, efficient, and accessible source of accurate information and analysis.

- 1.1.** Build a culture of excellence and collaboration within the AAO that is founded on professionalism, respect, and trust.
- 1.2.** Establish collaborative partnerships with stakeholders to enhance the exchange of information and data for planning and decision-making purposes.
- 1.3.** Increase awareness and utilization of user-friendly and accessible analyses that are disseminated across various communication platforms to promote a culture of continuous improvement.

EQUITY, DIVERSITY, & INCLUSION

GOAL 2: Establish a comprehensive UAS Continuous Improvement Cycle that includes multiple sources of data, allows for equity, diversity, and inclusion (EDI)-informed analyses, and supports student learning and outcomes.

- 2.1.** Develop and implement a data collection process of qualitative and quantitative data from CED, CHHS, and CPaCE programs, candidates and completers, and external stakeholders (i.e., P-12 school districts such as LBUSD and community colleges) to inform continuous program improvement.
- 2.2.** Establish a process for regular review and analysis of data that integrates an EDI lens, promotes transparency and accountability, and supports continuous program improvement.
- 2.3.** Provide resources and support to CED and CHHS programs to meet all accreditation and reporting requirements and college-wide goals and initiatives.

FUTURE READY

GOAL 3: Establish the AAO as a “future-ready” entity that provides current trends and projection data to meet state accreditation standards, institutional goals, and community needs.

- 3.1.** Promote the sharing and analysis of student-level data and expertise across the P-20 pipeline.
