SW 630: Advanced Social Work Practice: Adulthood and Aging
SW 670: Social Work Administration
SW698A: Thesis I
SW699A: Thesis II
SW698C Applied Projects – Adults and Aging and Integrated Health
SW699C Applied Projects – Adults and Aging and Integrated Health

ACADEMIC POSITIONS

Graduate Coordinator

California State University, Long Beach
Department of Social Work
8/2019 – present

Orient incoming students to the MSW program. Issue permits to MSW students to enroll in required classes. Advise MSW students who need modified program plans. Conduct registration audits to make sure that MSW students are taking required classes and are on track for graduation. Work with professors to develop strategies for intervening early if a student is having difficulty in a class. Provide advisement students who are on academic probation. Advance all MSW students to candidacy and clear students for graduation. Chair the Curriculum Committee, represent the School of Social Work on the Graduate Council of the College of Health and Human Services, and serve as the liaison between the School of Social Work and Enrollment Services.

Associate Professor/Assistant Professor/Lecturer (Full-time)

California State University, Long Beach
School of Social Work
8/99 - present

Responsible for teaching courses in Research and Practice Sequences. Member of departmental committees, including Culminating Project Sequence, Practice Sequence, Research Sequence, and Lecturer Evaluation Committee.

Undergraduate Coordinator

California State University, Long Beach
Department of Social Work
8/2004 – 8/2007

Developed a manual for this position, including a Power Point presentation to orient students to the BASW program. Organized annual mentoring event for BASW students titled: *Life After the BASW Program: Opportunities and Choices*. For this event, alumni of the BASW program shared about their experience post-graduation in terms of job searching and decision making process regarding returning to get a graduate degree. Active member of the BPD and key planner in the 2006 Los Angeles Annual Conference. In 2007, took the lead role in preparing the BASW portion of the CSWE Reaffirmation document.

Research Associate

El Portal Alzheimer's Research Project
School of Social Work, University of Southern California
9/96 - 12/00

Provided technical support to the principle investigator, Dr. Maria Aranda. Conducted statistical analysis (SPSS) including univariate and multivariate analyses. Provided support and assist in the development of grant proposals, technical reports, presentations, and publications.

Research Associate

Social Science Research Institute, University of Southern California
5/97 - 12/00

Provided technical support to the principle investigators of the Community Policing Research, Civil Gang Injunction, and Probation Projects funded by the United States Department of Justice and California's Bureau of Corrections. Responsibilities included development of sampling plans, survey construction, and management of data sets. Conducted statistical analysis (SPSS and SAS) including univariate and multivariate analyses. Provided support in the development of grant proposals, technical reports, presentations, and publications.

Part-time Lecturer

California State University, Long Beach
Department of Social Work
1998 - 1999

Responsible for teaching graduate level Older Adult and Families field seminar (SW 680A/B) and graduate level research methods (SW 594).

Part-time Lecturer

University of Southern California
School of Social Work
1997 - present

Responsible for teaching graduate level research methods courses. Participant of the research methods curriculum development and review committee.
