

Thomas Alex Washington, Ph.D.

Southern Regional Education Board (SREB) Senior Scholar

*[Contact info redacted
for online publication]*

1250 N. Bellflower Blvd, SPPA 224
Long Beach, California 90840

EDUCATION:

Ph.D. (August 2002)
University of Tennessee, Knoxville, Tennessee 37996
Dissertation: "Factors associated with HIV testing for women during prenatal care: A cross validation study."
Dr. Karen M. Sowers (Professor and Dean), Committee Chair
Dr. William Nugent (Professor and Director), Committee Member

M.S.S.W., Clinical Treatment (May 1998)
Health Science Center
University of Tennessee, Memphis, Tennessee 38163

M.A. in Sociology (May 1995)
Center for Research on Women
The University of Memphis, Memphis, Tennessee 38152
Thesis: "Effectiveness of Transitional Housing Programs"
Dr. Elizabeth Higginbotham, Thesis Advisor

B.A. in Sociology (May 1992)
LeMoyne-Owen College, Memphis, Tennessee 38126

INTERNAL AND EXTERNAL FUNDING FOR RESEARCH

Co-Investigator, PPOWER 2: Tobacco and Cannabis Intervention for Young Black MSM
Grant Number: 588217 (PI: Laura D'Anna)
Tobacco-Related Disease Research Program ([TRDRP], University of California)
\$1.1 Million total direct and in-direct/yrs 1-3
Funding awarded 2018 - 2021

Co-Director/Co-Investigator, Center for Health Equity Research-Institute (CHER-Institute)
R25GM121266-01 (PI: Laura D'Anna)
National Institute of General Medical Sciences
\$1.93 Million total direct and in-direct/yrs 1-5
September 2016 - 2021

Co-Director, The Peer Promotion of Wellness and Enhanced Linkage to Resources (PPOWER)
1H79SP021340-01 (Director: Laura D'Anna)
SAMHSA
\$899,617 total direct and in-direct/yrs 1-3
September 2015 - 2018

Principal Investigator, Exploring an HIV Testing Intervention Model (TIM Project)
R21DA033874-01A1
National Institutes of Health/ National Institute on Drug Abuse
\$397,375 total direct and in-direct/yrs 1-2
September 2012-2015

Principal Investigator “Pilot Study: HIV Testing Intervention Model Video Development and Pilot.” (Sub-Award), Funding provided by the UCSF Center for AIDS Prevention Studies, NIH grants R25 DA028567, R25 HD045810, and R25 MH067127 \$25,000 direct/ yr 1, Awarded for 2012 to 2013

Principal Investigator, University Research Office SCAC, California State University, Long Beach
To edit and resubmit an HIV grant proposal to the National Institute on Drug Abuse.
3 Units Course Release
Funding awarded for 2011-2012.

Principal Investigator, University Research Office SCAC, California State University, Long Beach
Pilot Study: Human Sexuality Education Model for Practitioners.
3 Units Course Release
Funding awarded for 2010-2011.

Principal Investigator (Subproject). Exploring an HIV Status Awareness Model for Black MSM (HSAM), Funded as part of the Research Infrastructure for Minority Institutions (RIMI) [PI: Dr. F. King Alexander, CSULB President, Project Director: Dr. Kevin Malotte]
National Center on Minority Health and Health Disparities, National Institutes of Health (NIH), [P20MD003942]. \$80,000 direct/ yrs 1-2
October 2009-2011.

Consultant, Feasibility of an Intervention Program for Substance Abuse Counselors working with Black MSM/W in treatment.
\$17,600 direct/ yr 1
Sub-Contract provided by Danya Institute and SAMSHA 2008-2009.

Principal Investigator, University Research Office, California State University,
Pilot Study: Behavioral Research Opportunity using Web-based Methods.
\$5,000
Awarded for Summer 2009.

Senior Research Fellow, National Center for Health Behavioral Change, Baltimore, MD
Development of the “Multicultural Competence: Manual for Public Health Education and Curriculum”
Kellogg Foundation, \$10,000 direct/ yr 1
2007-2008.

Faculty Research Fellow, Morgan-Johns Hopkins Center for Health Disparities, “Taking AIDS Prevention to the Street” (TAPS), Drug Abuse Research Program, Funding provided by NIDA [PI: Dr. Dorothy Browne, DrPH],
\$20,000 direct yrs 1-2
2003-2005.

Principal Investigator/CSWE Fellow, “Factors associated with HIV testing for women during prenatal care: A cross validation study.” (Supplemental Funding), Funding provided by the NIMH Research on AIDS Office, Type 2, Activity T32, I/D Serial No.: MH16089-21,
\$12,000 direct/ yr 1
2001-2002.

AWARDS AND HONORS:

2020 Transgender Image Award, Nominated and Selected by the Community Advisory Board of the TEACH Project, Behavioral Health Services, Inc., Long Beach, CA, February 2020. In recognition of leadership in the LGBTQ+/Transgender community, and efforts to build a safe space and health promotion for a community that has been marginalized and underserved.

President's Award for Outstanding Faculty Achievement, Office of the President, California State University, Long Beach, May 2019.

Distinguished Faculty Scholarly and Creativity Achievement Award, Nominated and Selected by the Faculty and Academic Senate to receive the award from the Office of the Provost and the University, California State University, Long Beach, April 2017.

The African American Warriors Award, ADAM Project and Dorothy Lee Coverson Foundation, Long Beach, CA, February 2017.

Grand Marshal, Commencement Ceremony, College of Health and Human Services, California State University, Long Beach, May 2011.

Gerald Ludd Lifetime Achievement Award, National African American MSM HIV/AIDS Leadership Conference, Brooklyn, New York, 2011.

Who's Who in America 2011. Marquis 65th Edition. Selected September 2010.

Lavender Graduation Faculty Marshal, Selected to serve as the Lavender Graduation Faculty Marshal for the 2010 Lavender Graduation Ceremonies at California State University, Long Beach, May 2010.

Early Academic Career Excellence Award, Nominated and Selected by the Faculty and Academic Senate to receive the Early Academic Career Excellence Award from the Office of the President and the University for excellence in research, scholarship, teaching, and service within maximum of three years at the University, California State University, May 2010.

Doctoral Scholar, SREB Doctoral Scholar's Award, Award provided by the Southern Regional Education Board, August 1998 to July 2002.

RESEARCH INTERESTS:

- HIV/AIDS (prevention: gay males, IDUs, and pregnant women)
- Human Sexuality (cognitive theory and gender identity issues)
- Social Inequality (race, class and gender issues)
- Program Evaluation (cancer prevention models and housing)

COURSES INSTRUCTED:

- Descriptive and Inferential Statistics (Ph.D. Level)
- Introduction to Biostatistics (MS and MPH Levels)
- Research Methods (BSW and MSW Levels)
- Human Development (BSW and MSW Levels)
- Oppressed Groups and Social Policy (MSW Level)

EMPLOYMENT:

Co-Director, Center for Health Equity Research Institute and Webinar Series
California State University, Long Beach, 1250 Bellflower Boulevard, Long Beach, CA 90840.

June 2016
to Present

Responsible for managing the webinar series, facilitating the webinar as the host, identifying and selecting engaging topics using evaluation data, and selecting expert presenters to deliver content to early career faculty interested in applying for NIH level funding. Additionally, oversee the curriculum for a 6-day intensive training summer institute to engage early career faculty interested in applying for NIH level funding. The faculty are primarily from minority serving institutions from across the U.S., and they conduct health equity research. Review applications and select participants for the institute. Oversee the

selection of senior expert NIH-level researchers who serve as mentors for the summer institute. Budget is 1.93 million, five years direct and in-direct.

Interim Assistant Co-Director, BUILD Training Core, College of Health and Human Services
California State University, Long Beach, 1250 Bellflower Boulevard, Long Beach, CA 90840.

January 2015
to May 2015

Represented the Schools and Departments in the College of Health and Human Services on the Building Infrastructure Leading to Diversity (BUILD) Student Training Core (NIH funded initiative). Assisted with the development of a summer training program for undergraduate students interested in biomedical and behavioral research (lower division). Additionally, facilitated information sessions for students and faculty, recruitment, and reviewed student applications for the BUILD program.

Full Professor (w/Tenure), College of Health and Human Services, School of Social Work,
California State University, Long Beach, 1250 Bellflower Boulevard, Long Beach, CA 90840.

Fall 2012
to Present

Instructed Research Methods, directed graduate level theses, developed an HIV/AIDS and Community Engagement course, collaborated with public health scientists in the Center for Health Care Innovation, performed grant writing for external funding and statistical analyses.

Visiting Associate Professor (Summer 2012/2013), Visiting Full Professor (Summer 2014),
Center for AIDS Prevention Studies, Department of Medicine,
University of California, San Francisco, 50 Beale St, Ste 1300, San Francisco, CA 94105.

Summer 2012, 2013
and Summer 2014

Trained and collaborated with behavioral scientists conducting HIV/AIDS and health disparities research with minority communities.

Associate Professor, College of Health and Human Services, School of Social Work,
California State University, Long Beach, 1250 Bellflower Boulevard, Long Beach, CA 90840.

Fall 2008
to Spring 2012

Instructed Research Methods, directed graduate level theses, developed an HIV/AIDS and Community Engagement course, collaborated with public health scientists in the Center for Health Care Innovation, performed grant writing for external funding and statistical analyses.

Associate Professor (w/Tenure) and Chair-MSW Admissions Committee, School of
Social Work, Morgan State University, 1600 East Cold Spring Lane, 428 Jenkins
Building, Baltimore, MD 21251, Phone: [Redacted]

Fall 2006
Spring 2008

Instructed Statistics in the PhD program; Epidemiology, Human Development and Research Methods courses at the Bachelor and Master's levels. Directed and organized the MSW program admissions process. Assisted with the development of a new MSW and PhD program. Assisted with the stages for a successful CSWE reaffirmation of a 29 year old BSW program. Advised graduate students in the MSW and Ph.D. programs, and served as a member of dissertation committees in the School of Health and Public Policy. Supervised Student Assistants.

Assistant Professor/Interim Graduate Admissions Coordinator, School of Social Work, Morgan State University, 1600 East Cold Spring Lane, 428 Jenkins Building, Baltimore, MD 21251, Phone: *[Redacted]*

Fall 2002
to Spring 2006

Instructed Research Methodology: The course material covers 1) basic to considerations in problem formulation and research design; 2) identification of the steps in the research process and their interrelationships, 3) an introduction to critically analyzing research in the media and professional journals; 4) systematic evaluation of practice and research in the field, 5) introduction of the application of social statistics, 6) ethical and human diversity issues in research. Managed courses on-line with the use of Blackboard.

Instructed Human Behavior and the Social Environment: This two-semester course-sequence (SOWK 331/332 and 530) examines physical and social environments, including communities and organizations as the context for life course development. Using the Ecological Systems Perspective as a framework, the course focuses on the complex and dynamic interaction between various systems.

Faculty Affiliate, Morgan- Johns Hopkins Center for Health Disparities Solutions/Drug Abuse Research, 1600 East Cold Spring Lane, 428 Jenkins Building, Baltimore, MD 21251, Phone: *[Redacted]*

Fall 2002
to 2008

Developed grant proposals, manuscripts for publication, facilitated workshops, developed research designs, selected methodologies, performed data analyses using EPI 2000 and SPSS for HIV and drug abuse research projects; Program Director: Dorothy Brown, Dr.PH. Collaborated with Senior Scientists, Drs. Steffanie Strathdee and David Vlahov, to examine the Natural History of HIV Infection Among Injection Drug Users, particularly gay males.

Assistant to the Dean, College of Social Work, University of Tennessee, 118 Henson Hall, Knoxville, TN 37996, Phone: *[Redacted]*

February 2000
to May 2002

Highly responsible for duties related to the Knox County Truancy Center Evaluation Grant Project; the Youth Violence Prevention Center Grant Project; Evaluated programs and outreach functions; Coordinated Social Work conferences; Analyzed data using SPSS, Served as a member of research teams, attended professional meetings, analyzed data for manuscripts, served as a liaison between the Dean and research team members, Dean: Karen M. Sowers, Ph.D. College of Social Work.

Biostatistics Teaching Assistant/Associate, (Course 530 Biostatistics) Department of Health and Safety Sciences, College of Human Ecology, University of Tennessee, Knoxville, TN, 37996, Biostatistics Sequence Chair: Dr. Paula Carney, Phone: *[Redacted]*

August 1999
to May 2001

Instructed graduate students with learning descriptive and inferential statistics using EPI 2000 (statistical program). Developed course outline, lectures, graded assignments, administered exams and utilized Blackboard (an online web-based course management system). Supervising Professor: Paula Zemel, Ph.D.

Research Assistant, Children's Mental Health Services Research Center, University of Tennessee, 118 Henson Hall, Knoxville, TN 37996, Phone: [Redacted]

January 1999
to December 2001

Volunteer Infant Parenting Study: Interviewed Mothers with infants who were participating in the Volunteer Infant Parenting Study at the University of Tennessee Hospital Children's Health Services Clinic and the Knox County Health Department for data collection on Neglectful Parenting Practices; PI: Terri Combs-Orme, Ph.D. College of Social Work.

Research Assistant, Joint Center for Political and Economic Studies, 1090 Vermont Avenue, N.W., Suite 1100, Washington, D.C. 20005, Phone: [Redacted]

September 1999
to October 1999

The Scarborough Community Technical Assistance Project: Conducted face-to-face household interviews gathering data concerning the issues and concerns of residents of the Scarborough community in Oakridge, TN, specifically as it relates to the environment, health, social and economic concerns; Project Manager: Jennifer Friday, Ph.D.

Research Assistant, Department of Psychiatry, University of Tennessee, Memphis, Tennessee 38163, Phone: [Redacted]

Summer 1998

Criminal Justice Diversion Project- NIMH: Interviewed and assessed patients in a criminal justice psychiatric setting and psychiatric emergency room for a Criminal Justice Diversion Project funded by the National Institutes of Mental Health; PI: Randolph Dupont, Ph.D. College of Medicine, Department of Psychiatry; Co-PI: Bridgett Truman, Ph.D. Department of Psychiatry.

Senior Data Integrity Clerk, Department of Preventive Medicine, University of Tennessee, 66 North Pauline, Memphis, Tennessee 38163, Phone: [Redacted]

March 1996
August 1997

Women's Health Initiative: Reviewed questionnaires, performed data entry and randomized participants in a double-blinded placebo controlled Cancer Research Project investigating the effects of hormone replacement in women in reducing their risk for Breast Cancer, PI: William Applegate, M.D. Preventive Medicine, College of Medicine; Supervisor: Janet Elam, Preventative Medicine.

Graduate Research Assistant, Center for Research on Women, The University of Memphis, Clement Hall, Memphis, Tennessee 38154, Phone: [Redacted]

August 1994
to August 1995

Several projects (Women and Work/Childcare Providers): Developed bibliographies for research proposals, utilized databases, reviewed books for database selection, and edited material for publication; Director: Elizabeth Higginbotham, Ph.D. Department of Sociology; Major Chair: Lynet Uttal, Ph.D. Department of Sociology.

CLINICAL PRACTICE EXPERIENCE:

July 1998
to May 2002

Homebound Support Worker, Family Support Program, Shelby Residential Vocational Services (SRVS), Memphis, TN 38104, Phone: [Redacted]

Conducted needs assessments of homebound patients and assisted with

referrals, transportation, social and vocational support services as needed (Part-time Employment).

August 1997
to May 1998

Clinical Social Worker/Intern, Department of Social Work/Outpatient Psychiatry, Veterans Affairs Hospital, Memphis, TN 38104, Phone: [Redacted]

Conducted psychosocial assessments, facilitated life skills groups for patients with mental disorders (i.e., Schizophrenia) and substance abuse issues. Recorded process notes for each patient session. Provided social skills training in the following areas: social interaction, assertiveness training, relaxation training, and money management. Conducted therapy in a Day Treatment group setting and provided individual and family therapy with veterans and their families. Collaborated with a multidisciplinary team, including primary care physicians, psychologists and nurses. Supervisor: Pam Carroll, LCSW.

June 1997
to August 1997

Medical Social Worker/Intern, Department of Social Work/Ambulatory Care, Veterans Affairs Hospital, Memphis, TN 38104, Phone: [Redacted]

Conducted psychosocial assessments. Developed intervention and treatment plans for patients. Recorded process notes and case management as needed; collaborated with a multidisciplinary team to assure that patients received quality health care and utilized the crisis intervention treatment modality in an ambulatory care setting. Supervisor: James Herron, LCSW. (25 to 30hrs/wk).
