**Professional Activities:**

Staff Developer- California Science Implementation Network, at

the UCI, Long Beach Unified School District and California State Department of Education. 1988 - 1998. Served as one of two staff developers for LBUSD in providing in service and summer institute training to teachers on the implementation of the California Science Standards and Framework. Taught teachers how to use constructivism in the classroom. My training focused on working with adult learners and how to implement change in instructional practices.

State Department of Education/Long Beach Unified School District Program Quality Review 1980 -1996.

Instructor for Science at the Beach California State University Long Beach, summer 2001 and summer 2002. Master teacher for pre-service science teachers in the credential program. Developed and modeled lessons, taught instructional strategies and techniques, provided peer coaching for credential candidates, monitored and evaluated their progress.

In serviced LBUSD teachers on the implementation of the new science textbook adoption during the 2001-2002 school year. Taught reading strategies using a science textbook.

Librarian, responsible for the management of two school libraries each school year.

Technology Specialist, provided staff with in-services on the use of technology. Worked with teachers to provide technology resources to support classroom activities. In serviced teachers on the use and integration of technology in the classroom. Provided teachers with resources to connect technology and literacy.

**Awards:**

Long Beach Red Cross Recipient of The Red Cross Teacher of The Year, 1980

Long Beach Parent/Teacher's Association: Long Beach, California Recipient of the "Honorary Service" award for recognition of outstanding service to the children and youth of the greater Long Beach Area, February 1985
