### **PROFESSIONAL EXPERIENCE:**

- 1/2018-  
Present**      **University Student Teaching Supervisor – CSULB**  
Responsible for coordinating the student teaching experience and for making recommendations relative to the success of the Student Teacher. Acted as liaison between the university, school, and classroom through observations, conferences, and seminars.
- 1999-  
2017**      **General Education Teacher- Long Beach Unified School District**  
All service was at Whittier Elementary, an urban school with a high percentage of at-risk and English learner students. Instruction was based on district curriculum and state standards. Collaboration with families and colleagues was a priority to ensure success of all students within my classroom.

**2006-2017**      **Master Teacher for California State University Long Beach**  
Participated in various student teaching programs while teaching at Whittier, including UTEACH and STEM programs. Served as a master teacher based on the ability to provide quality mentoring based on high expectations for both students and student teachers.

**2000-2017**      **Lead Teacher, Long Beach Unified School District**  
Served as a district liaison for health, social studies, and math for Whittier Elementary. Duties included attending district meetings monthly and holding site meetings to disseminate information.

**Spring 2018- Fall 2020**      **Student Teaching Supervisor, CSULB**  
Responsible for coordinating the student teaching experience and making recommendations relative to the success of the student teacher by scheduling weekly observations and conferences; holding seminars; mediating when problems occur; and apprising the student teacher through periodic assessment of development and progress.
