

Minor in Environmental Science and Policy

Minor Requirements Worksheet

2012-2013 Catalog

Name: _____

Student ID: _____

Note: This checklist is not intended to replace advising from the major department. Students should consult with the major advisor to determine the appropriate sequence of courses. This checklist is to inform students of minor requirements and course prerequisites only. CSULB Enrollment Services prepares the Academic Requirements Report, which is the official graduation verification.

Before adding any minors, students must check to see if this addition will affect [CSULB's Timely Graduation for Undergraduate Students](#) policy. Under this policy, students may earn up to 120% of the number of units required for the degree in their declared primary major. In addition, the policy requires that a student must file a [Request to Graduate](#) form with Enrollment Services by the time the student has completed 100% of the units required for the declared primary major. Any additional degree objectives (e.g., majors, minors, certificates, etc.) must be completed within the 120% unit limit. For more information, see http://www.csulb.edu/depts/enrollment/graduation/bachelors/timely_grad_ugrad.html.

This minor may be combined with any major at CSULB except the B.A. and B.S. in Environmental Science and Policy. It requires a minimum of 20 units (at least 9 of which must *be upper division*) of course work in Anthropology, Biology, Microbiology, Economics, Environmental Science and Policy, Geography, or Geology.

Prerequisites

Take all the following prerequisite courses (do not count toward the minor): BIOL 200; ECON 300 (or 100 and 101); GEOL 102, 104.

Requirements

Take all the following courses:

Grade	Course #	Course Title	Semester	Prerequisites
	ES P 200	California Environmental Issues (3)		Pre/Corequisites: GEOL 102, 104; BIOL 200; ECON 101 or 300
	ES P 300I	Environmental Law and Policy (3)		GE Foundation requirements; ECON 100 and 101, or ECON 300; POSC 100; and upper division standing

Take a minimum of 14 units from the following: ANTH 140, 405, 481; BIOL 350, 353, 450, 451, 456, 457, 459, 464; MICR 303; ECON 306I, 462, 463, 464; ES P 400; GEOG 440, 442, 443, 444, 455, 458, 460, 487A; and GEOL 190, 280, 300I, 303, 465, 466, 477.

Grade	Course #	Course Title	Semester	Prerequisites
