

MINOR IN MICROBIOLOGY

Minor Requirements Worksheet

2016-2017 Catalog

Name: _____

Student ID: _____

NOTE: This checklist is not intended to replace advising from the major department. Students should consult with the major advisor to determine the appropriate sequence of courses. This checklist is to inform students of major requirements and course prerequisites only. CSULB Enrollment Services prepares the Academic Requirements Report, which is the official graduation verification.

*Before adding any minors, students must check to see if this addition will affect CSULB's Timely Graduation for Undergraduate Students policy. Under this policy, students may earn up to 120% of the number of units required for the degree in their **declared primary major**. In addition, the policy requires that a student must file a Request to Graduate form with Enrollment Services by the time the student has completed 100% of the units required for the declared primary major. Any additional degree objectives (e.g., majors, minors, certificates, etc.) must be completed within the 120% unit limit. For more information, see*

http://www.csulb.edu/enrollment/graduation/bachelors/timely_grad_ugrad.html.

This minor may be combined with any major at CSULB except the B.S. in Microbiology.

ALL prerequisites require a "C" or better.

Semester	Grade	Course #	Course Title	Prerequisites
		BIOL 211	Intro. to Evolution and Diversity (4)	<i>Pre/Corequisite:</i> CHEM 111A
		BIOL 212	Intro. to Cell and Molecular Biology (4)	BIOL 211 <i>and</i> CHEM 111A; <i>Pre/Corequisite:</i> CHEM 111B
		BIOL 311	General Microbiology (5)	BIOL 211, 212 <i>and</i> CHEM 111B

The following courses do not meet any specific or elective requirements for this minor: BIOL 100, 153, 153L, 200, 200L, 205, 205L, 207, 208; MICR 101 and 200.

UPPER DIVISION

Take at least 9 units selected from upper division microbiology major courses with at least one course chosen from the following courses and at least 3 units from the 400 series. For a list of appropriate microbiology courses, consult with the Microbiology major advisor.

Semester	Grade	Course #	Course Title	Prerequisites
		BIOL 320	Bacterial Pathogenesis (3)	BIOL 311; Recommended: BIOL 320L
		BIOL 355	Microbial Ecology (3)	BIOL 311 or BIOL 211, 212, 213, 260
		BIOL 371	Microbial Genetics (3)	BIOL 311

These courses do not meet any specific or elective requirements for this minor: BIOL 300, 301, 304, 305, and NSCI 492.
