IMPRO-VOZ

IMPRO-VOZ recorded a CD in the spring of '92 that also featured the CSULB Jazz Band I. All of the vocal jazz arrangements on the CD were written by either students or faculty of CSULB. **IMPRO-VOZ** was invited to perform for the International Association of Jazz Educators Convention in Washington, DC in 1991, and performed with the Long Beach Ballet in the spring of 1991. It was the international premier of a new ballet called, "The Unicorn" by a New York composer.

Michele Weir

Michele is currently a faculty member at the University of Southern California and California State University Long Beach. She was previously on the faculty of the Phil Mattson School and Spokane Falls Community College where she taught vocal jazz classes and jazz piano, harmony, improvisation and arranging. As a member of the vocal jazz group, "Phil Mattson and the P.M. Singers," Michele appeared as singer and arranger for their two albums including Grammy nominated, "Night in the City."

As a pianist, Michele has toured as the accompanist for singer Bobby Vinton as well as doing free-lance work around the Los Angeles area. Michele's arrangements are published with Hal Leonard, Jensen Publications and the U.N.C. Jazz Press, and her commissioned works are performed by professional and educational groups internationally including "Chanticleer" and "Beachfront Property."

Michele is currently in demand as a clinician and adjudicator and serves as co-chair of Vocal Jazz for the International Association of Jazz Educators. Michele is also about to release a new CD as a soloist with Phil Mattson on piano.
