☐ Click “Audition Application” in Audition Info in order to fill out the application for the audition.

☐ On the application, make sure you note your desired audition date at the top left of the form, and any prior audition date (audition dates are posted at Admissions Info on the Dance website). If the audition you request is full, the Department will contact you immediately via email.

☐ After filling out the application, print two copies (one to send in, one to keep).

☐ Attach a deposit check for $25 made out to “CSULB Dance” and attach the check to your application. Your deposit will be returned at registration the day of the audition.

☐ Place the application and the deposit in an envelope and send to the CSULB Department of Dance at:

☐ Visit www.csulb.edu/student-info/prospective-freshmen.html for all necessary information regarding applying to CSULB. Each student interested in attending CSULB must apply during the CSU initial filing period for Fall admission into the University.

☐ Print or save all communications that come from the Department of Dance. You will be sent important information regarding logistics and particulars of the audition, including information about registration, Department tours, and directions to CSULB.

☐ CANCELLATIONS: If you need to cancel or change your audition date, notify the Department of Dance (by emailing dance@csulb.edu) at least 48 hours prior to your scheduled audition. Your deposit will be returned via USPS to the address on the application, or applied to another audition date.
