2. Major

The total number of units and individual subjects required to satisfy specific majors are outlined in detail for the various areas of study. See page 65 for a list of majors.

3. Minor

A minor for the bachelor's degree is not required.

4. Requirements in United States History, Constitution and American Ideals

To qualify for graduation, all undergraduate students shall demonstrate competence in the Constitution of the United States; in American history, including the study of American institutions and ideals; and in the principles of State and local government established under the Constitution of this State. These requirements may be satisfied by passing a comprehensive examination on these fields prepared and administered by the College or by completing appropriate courses. Students should contact the Chairman of the Department of Political Science or the Chairman of the Department of History.

5. Units

The total of 124 units for the bachelor of arts and the bachelor of vocational education degrees must include a minimum of 40 units of upper division work (courses numbered 300 or above).

The bachelor of science degree, 124 to 132 units, is designed for curricula where a more intensive major field of study is considered a requisite background for vocational competence. The total number of units and individual subjects required to satisfy specific majors in those areas where this degree is offered are outlined in detail for the offerings of the academic divisions. Otherwise, all requirements for the bachelor of science degree are identical with those for the bachelor of arts degree.

6. Activity Units

Activity courses are those which provide practice in such areas as journalism, music, speech, theatre arts, and physical education. Within the 124-unit requirement, a student may earn credit of not more than eight units in activity courses in any one area, nor more than 20 units in activity courses in all areas.

7. Scholarship

The minimum scholarship requirement for the bachelor's degree is a grade point average of 2.0 (C) in all units attempted at the College, as well as a 2.0 (C) average on the student's entire college record. For graduation, a student shall also attain:

1. A 2.0 (C) average in all courses in the major.
2. A 2.0 (C) average in all courses in the major completed at the College.
3. A 2.0 (C) average in all upper division courses in the major completed at the College.

Students who plan to pursue teacher education programs should recognize that the academic scholarship requirement for certain credentials is a minimum grade of C or better in specified courses and an overall grade point average of 2.5 (C+). Students on academic probation at the College are not permitted to enroll in education classes.

8. Residence

A minimum of 24 semester units shall be earned in residence in the College. At least one-half of these units shall be completed among the last 20 semester units counted toward the degree. This requirement may be reduced for active military duty and for attendance at other California state colleges. Credit in summer sessions may be substituted for regular session unit requirements on a unit for unit basis.

**COURSES SATISFYING GENERAL EDUCATION
REQUIREMENTS FOR THE BACHELOR'S
DEGREE ***

REQUIREMENTS	COURSES **
<p>I. Social Science (9 units which must include at least one U.S. history course and one U.S. government and Constitution course).</p>	<p style="text-align: center;">U.S. HISTORY</p> <p>History 161A, 161B, 171A, 171B, or any upper division U.S. history course except 473A or 473B.</p> <p style="text-align: center;">U.S. GOVERNMENT AND CONSTITUTION</p> <p>Political Science 100, 421, or (for those needing only state and local government) 425.</p> <p style="text-align: center;">ELECTIVES</p> <p>Any lower or upper division course in anthropology, economics, geography, history, political science or sociology.</p>
<p>II. Natural Science (9 units which must include at least one biological science course and one physical science course. Two semesters of laboratory science are required).</p>	<p style="text-align: center;">BIOLOGICAL SCIENCE</p> <p>Biology 200, 202; Botany 201, 210, 212; Zoology 210A; or any lower or upper division course in anatomy and physiology, biology, botany, entomology, microbiology or zoology for which prerequisites have been met.</p>

* The pattern of general education required of candidates for teaching credentials differs from that required for the bachelor's degree. For further information, see the Credential Section of this Bulletin.
 ** All 300 and 400 series courses are upper division courses designed for juniors and seniors.

PHYSICAL SCIENCE

Physical Science 112; Astronomy 100; Geology 100; or any of the following courses for which prerequisites have been met: Chemistry 100, 111A, 111B; Geology 101; Physics 100A, 100B, 104; any upper division course in chemistry, geology or physics.

III. Literature, Philosophy or the Arts *
(6 units which must include 3 units in either literature or philosophy).

LITERATURE

Any literature course offered by the English or Comparative Literature Departments except English 184, 481 or 482, or Comparative Literature 340.

PHILOSOPHY

Any philosophy course.

THE ARTS

Any course in art, music, theatre arts, industrial arts or home economics, except special methods courses for teachers.

IV. English composition (3 units) * English 100.

V. Speech (3 units) Speech 130, 131, 132 or 133.

VI. Psychology (3 units) Psychology 100.

VII. Physical Education (2 units) Four successive semesters of Physical Education 103, 104, 105 and 106.

VIII. Health Education and Safety (2 units) Health Education 110.

IX. Electives (8 units) * Select from any of the above fields or from journalism or mathematics. Six units of foreign languages may be applied as general education electives.

* The pattern of general education required of candidates for teaching credentials differs from that required for the bachelor's degree. For further information, see the Credential Section of this Bulletin.

9. Faculty Approval

Proficiency of a student in any and all parts of a curriculum is properly ascertained by the faculty of the College. A favorable vote of the faculty shall be required to make a student eligible to receive a degree.

10. Election of Regulations for Degree Requirements

A student remaining in continuous attendance and continuing in the same curriculum in the College may elect to meet the graduation requirements in effect either at the time of his entering the College or at the time of his graduation therefrom, except that substitutions for discontinued courses may be authorized or required by the proper College authorities.

Continuous attendance may be claimed by any student whose registration record does not indicate a lapse of more than twelve months; however, enrolling and completing work in corresponding terms in consecutive calendar years will qualify as continuous attendance. The summer sessions as well as the fall term and spring term are included in this definition of "corresponding terms."

Failure to remain in continuous attendance will mean that the student must meet the regulations current at the time of resuming the degree program, or those applicable at the time of graduation. A change in the major for the degree automatically carries with such a change the acceptance of the current regulations pertaining to the new course of studies.

GRADUATION WITH HONORS

Cum Laude—A student eligible for a bachelor's degree who has attained an overall grade point average of 3.0 on all college units attempted may be graduated *Cum Laude* provided that he has also completed a minimum of 60 units at this College with a 3.0 average or higher.

Magna Cum Laude—A student eligible for a bachelor's degree who has attained an overall grade point average of 3.5 on all college units attempted may be graduated *Magna Cum Laude* provided that he has also completed a minimum of 60 units at this College with a 3.0 average or higher.

Summa Cum Laude—A student eligible for a bachelor's degree who has attained an overall grade point average of 3.75 on all college units attempted may be graduated *Summa Cum Laude* provided that he has also completed a minimum of 60 units at this College with a 3.0 average or higher.
