TOTAL GENERAL EDUCATION UNITS REQUIRED: 51*

*9 of your 51 General Education units must be upper division and taken after you complete 60 units. CSULB accepts a maximum of 39 certified General Education units from California community colleges.

*6 of the 9 upper division units must be interdisciplinary courses (IC suffix).

*Some degree programs require less than 51 General Education units (see the Academic Advising Center for specific exemptions).

Interdisciplinary Courses

Interdisciplinary courses are required as a part of your General Education—breadth requirements. You must complete six units of courses with the "IC" suffix before graduation in any of the categories specified; but no more than three units may be counted in any one category. IC courses may be approved for exemption from the three-unit-per-category limit (to a maximum of six units) when two or more schools are involved. Interdisciplinary courses are all upper-division courses; they fulfill six of the nine units required at the upper-division level in the new General Education requirements. Descriptions of the IC courses listed this semester, which are not listed in the 1986-87 University Catalog, are shown under Variable and Special Topics course descriptions at the end of this Schedule of Classes. A list of all IC courses is on the following page.
