General Education Courses

By Category

This is a list of courses that will count towards your General Education (GE) requirements if you take them this semester. Use the *List of Classes*, starting on page LC-1, to choose specific classes from each category.

All students:

Go to *Know Your General Education Requirements* on page 41 and the category headings in the following lists to find out which courses you need to take.

Freshmen:

You must complete the Foundation requirements within the first 36 baccalaureate units at CSULB (see page 42). These courses are a prerequisite to all GE courses at the 200 or higher level.

You may use either an Explorations course or a Capstone course to meet a category requirement. You may use the same course to meet both a category requirement and the Human Diversity or Global Issues requirement.

Transfer students:

If you are GE certified, you can choose Capstone courses from any category. One of the Capstone courses can be used to meet the Human Diversity requirement (◆). If you still need to meet the Global Issues requirement, choose one course designated (●).

(◆) Courses that meet the Human Diversity requirement (catalog years 1993-1994 and later)

(▲) Courses that meet the Capstone requirement (catalog years 1999-2000 and later)

(●) Courses that meet the Global Issues requirement (catalog years 1999-2000 and later)

Apply each GE class you take to one category only, even when the course is listed under more than one category.

Note:

UNIV 300I and 301I are approved General Education courses. Specific GE categories were not known at the time of publication. See *List of Classes*, page LC-85.

REMEMBER . . .

A class will count towards your general education requirement only if it appears in the list of General Education Courses in the *Schedule of Classes* for the semester in which you take that class.
