General Education Courses

By Category

This is a list of courses that will count towards your General Education (GE) requirements if you take them this semester. Use the List of Classes, starting on page LC-1, to choose specific classes from each category.

All students:
Go to Know Your General Education Requirements on page 41 and the category headings in the following lists to find out which courses you need to take.

Freshmen:
You must complete the Foundation requirements within the first 36 baccalaureate units at CSULB (see page 42). These courses are a prerequisite to all GE courses at the 200 or higher level.

You may use either an Explorations course or a Capstone course to meet a category requirement. You may use the same course to meet both a category requirement and the Human Diversity or Global Issues requirement.

Transfer students:
If you are GE certified, you can choose Capstone courses from any category. One of the Capstone courses can be used to meet the Human Diversity requirement (●). If you still need to meet the Global Issues requirement, choose one course designated (●).

(●) Courses that meet the Human Diversity requirement (catalog years 1993-1994 and later)
(▲) Courses that meet the Capstone requirement (catalog years 1999-2000 and later)
(●) Courses that meet the Global Issues requirement (catalog years 1999-2000 and later)

Apply each GE class you take to one category only, even when the course is listed under more than one category.

Note:
UNIV 300I and 301I are approved General Education courses. Specific GE categories were not known at the time of publication. See List of Classes, page LC-87.
