10.0 LEGACY LECTURER

10.3. Nomination: The spirit of the Legacy Lecture is non-competitive. It is not an award, but an honor. The University Awards Committee is encouraged to think broadly across the campus community to select Legacy Lecturers who have left or will leave a significant history of contributions to the University.

10.4. Evaluation Criteria: Legacy Lecturers are those individuals who have demonstrated a commitment to the University and the wider community and are respected by their colleagues and students. Legacy Lecturers have a message to share with the University community to help us reflect on our past and think about our future.

10.5. Selection: The University Awards Committee shall select a Legacy Lecturer in the fall semester to give a Lecture in the following fall semester. This is an occasion for celebrating and reflecting on what it means to be a teacher.

4. (opt.) Initial discussion regarding revision of policy 02-11
