

# **Academic Senate Retreat 2010: Participant Evaluations & Feedback Loop**

Lisa Vollendorf, Chair, Academic Senate  
November 2010

# Academic Senate Retreat Feedback

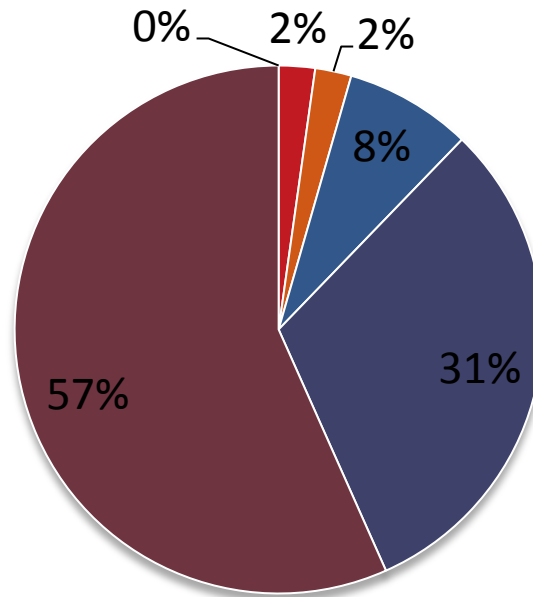

**This retreat was successful in achieving its goal of discussing national trends in higher education and connecting those to our local campus issues.**

# Academic Senate Retreat Feedback

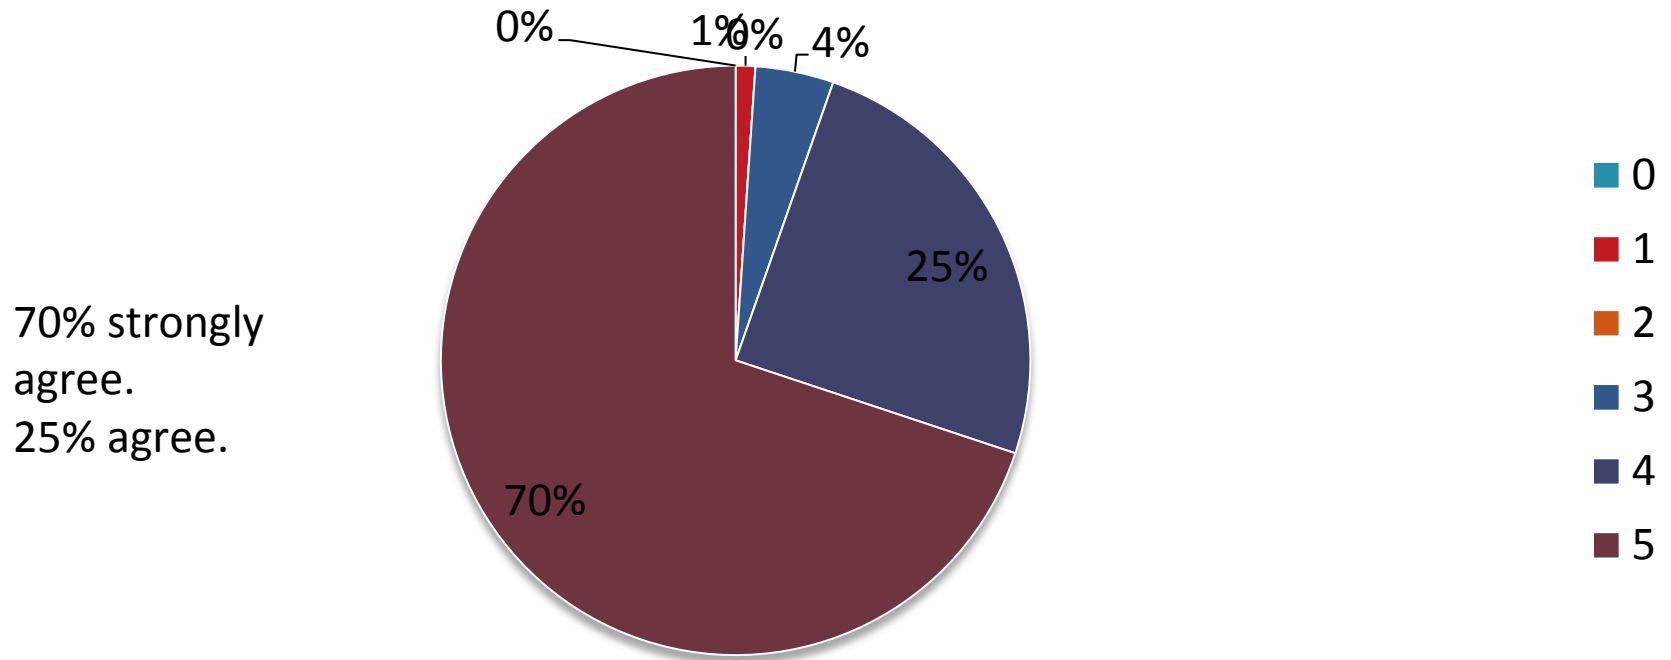

**This retreat was successful in generating short- and long-term ideas about how to improve campus climate, profile, and support.**

57% strongly agree.  
31% agree.

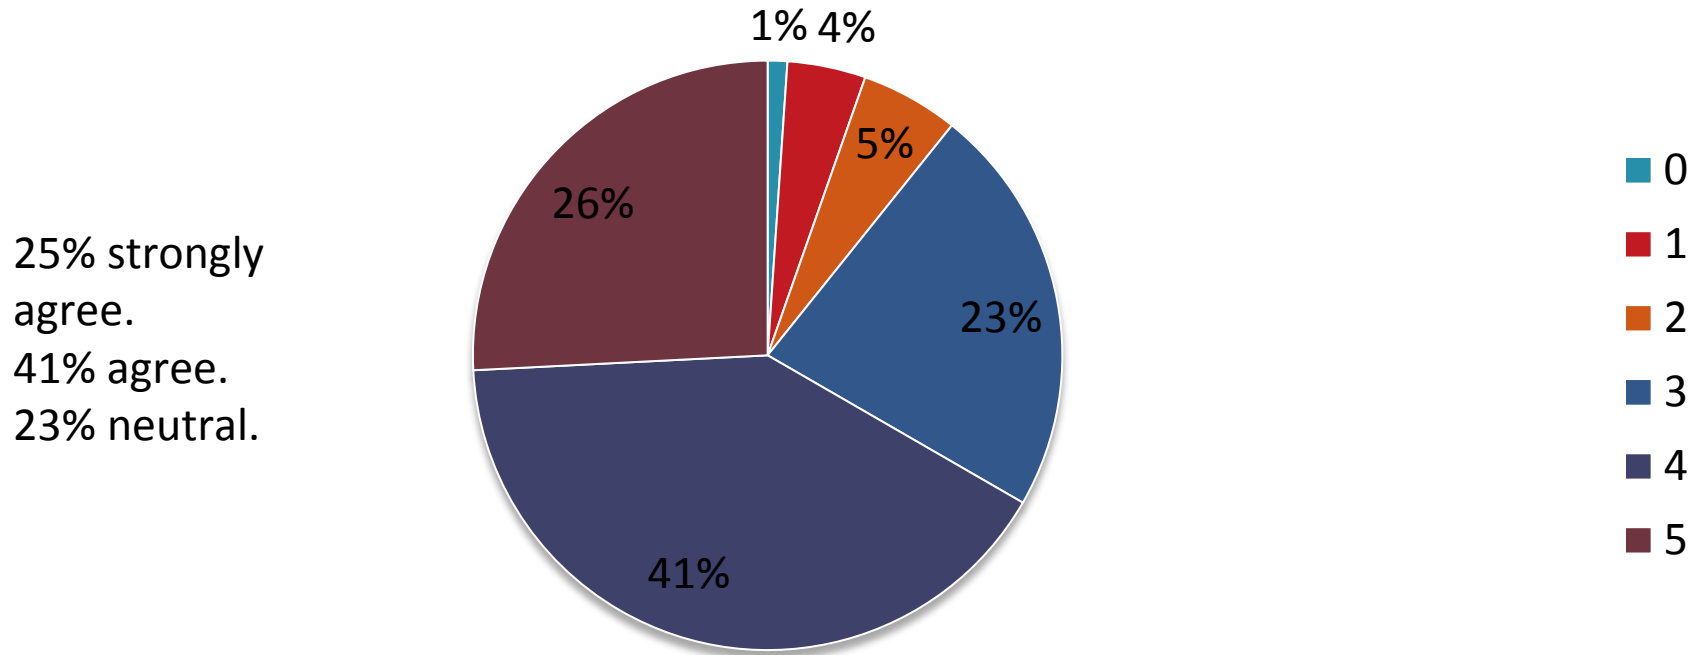

# Academic Senate Retreat Feedback

The table-top exercises provided me with an opportunity to learn more about the campus from the perspective of students, faculty, staff, and administrators at my table.

# Academic Senate Retreat Feedback

**I feel confident that the outcome of today's efforts at the retreat will be folded into conversations about how this campus will move forward.**

# Academic Senate Retreat: Next Steps

1. Feedback and ideas to Senate website
  2. Feedback by area of responsibility to:
    - Senior campus leadership
    - Campus Climate Committee
  3. Tracking of consideration & implementation of ideas throughout rest of year
