Direct immigration legal services are also available free of charge through CARECEN for students, staff, faculty, and their families. For more information on these services, please see the last page of this guide.

The Basic Needs Program is comprised of the ASI Beach Pantry, CalFresh Outreach Program, and Student Emergency Intervention and Wellness Program, all designed to assist students who are food and housing insecure.

Beach Central is one stop for all questions and concerns related to Admissions, Financial Aid, and Student Records.

The Legal Resource Center (LRC) assists undergraduate and graduate students with access to legal resources and opportunities that will further achieve their educational goals, including immigration questions.

CAPS provides short-term counseling for individuals, group counseling, career development counseling, referral services, psychoeducational workshops, and crisis intervention for students.

Students can be connected to resources, services, programs, and staff members to assist them with questions and concerns.
